- A 2% sales tax will provide the necessary funding to maintain our Ambulance Service and Sheriff's Department, fund essential training for all emergency personnel and equip our Paramedics, EMTs and Sheriff's Deputies with the tools they need to safely do their jobs.
- Instituting a sales tax is the fairest way to share the cost of county services - residents and tourists will all pay their share.
- It is not mandatory for Conejos to have an ambulance service or a Sheriff's Department - only a

Matthew and Renee Lobato: Keep Emergency Services and First Responders fully funded can be the difference between life or death, protection or tragedy. A sales tax is the only fairway to recover revenues from every dollar spent in our county which includes tourism, hunting, recreation and marijuana sales and that our Emergency Services stay fully funded.

Linda Johansen: Medical emergencies are unpredictable. To expand and enhance the emergency medical response presence in Conejos County's 1,290-mile radius and for its 8,142 residents, I strongly support the proposed 2% sales tax to better serve those in need.
